

eLearning Platforms

Inclusive Digital is a London-based production company that provides customised digital eLearning solutions.

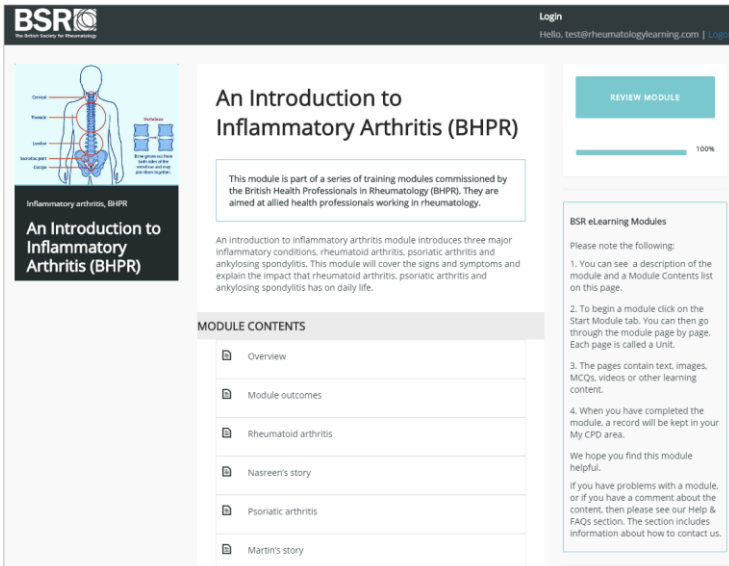

Over the past 5 years, the company has developed the video-based **Inclusive eLearning Platform** that allows organisations to provide online training by filming lectures or talks, and then linking the lectures to interactive CPD and training features.

The **Inclusive eLearning Platform** is a dual-screen site – one screen for the video of the speaker, and the other screen for their slides.

The platform can also be integrated with our bespoke **WordPress-based Learning Management System** – which can provide online courses and Modules, with text, images, video, audio, MCQs and quizzes.

Inclusive eLearning Platform Features

- **Dual Screen:** the presentation in one panel, and the slides in an adjoining panel.
- **CPD/Training:** includes Reflective Notes, Evaluation Forms, Certificates, and Personal 'My CPD' or 'My Training' record areas.
- **Server:** the videos play 'on demand' from a global video server system, with a range of streaming options, from HD to low bandwidth.
- **Responsive:** works on mobiles, tablets, laptops and desktop computers.
- **Flexible Access:** the site can be open to the public or have login/registration.
- **Payments:** integration with 3rd party payment systems.
- **Client Branding:** with the client's logo and colours incorporated in to the design.
- **Search:** the site can include a range of search and category filters.
- **CMS:** a secure Content Management System (CMS).
- **LMS:** integration with a bespoke WordPress Learning Management System (LMS)
- **Web:** Ranking, Comments and Related Videos, Search Engine Optimisation, and Google Analytics

The screenshot displays the BSR eLearning platform interface. At the top, there is a navigation bar with the BSR logo and a 'Login' button. The main content area is titled 'An Introduction to Inflammatory Arthritis (BHPR)'. It features a diagram of the human body with labels for 'Cervical', 'Thoracic', 'Lumbar', and 'Sacral' regions. Below the diagram, there is a section titled 'An Introduction to Inflammatory Arthritis (BHPR)'. The main content area includes a 'MODULE CONTENTS' section with a list of topics: Overview, Module outcomes, Rheumatoid arthritis, Nasreen's story, Psoriatic arthritis, and Martin's story. A 'REVIEW MODULE' button is visible in the top right corner, and a progress indicator shows 100% completion. A sidebar on the right contains 'BSR eLearning Modules' and a list of instructions for using the platform.

The **Inclusive eLearning Platform** operates the following websites:

- Royal Society of Medicine e-Learning (www.rsmvideos.com)
- Royal College of Radiologists e-Learning (<http://videos.rcr.ac.uk>)
- The Association of Anaesthetists CPD Microsite (<http://learnataagbi.org>)
